

## Badger Backs Dudley Youth

Badger Rugby, the official kit suppliers of Dudley Kingswinford 1st XV, have extended their support to the club's youth section by donating a new set of shirts to this year's U11s Gallis Trophy team.

It is now the stuff of legends that England's Shaun Perry is a DKRFC Youth Section old boy, and played in the Gallis Trophy which is held every spring at the club. The inspiration for young players, he often visits and the club says with pride, "Shaun Perry was 'forged in the black country'."

Pictured is Dave Munslow, Director of Badger Rugby, with the under 11s rugby team showing their joy at the new kit.
